

Recycling

TRASH, BULK PICK UP, YARD WASTE, RECYCLING, AND ANNUAL CALENDAR

I. Curbside Trash Collection

- Borough Council has awarded the Trash Bid to Eagle Disposal Company.
- Trash collection will begin on **January 1, 2017**
- Three separate trucks will visit Elverson for trash, recycling and lawn and yard waste. On bulk pick up days a fourth truck will handle bulk pick up.
- Suggest each resident use generic plastic bags in the trash tote to maintain the sanitary conditions of your tote. Keeping the tote clean is your responsibility. Consider rinsing with a disinfectant and a hose every so often.
- Each household will receive a 96-gallon tote, which holds 5-6 bags of trash. It measures 46' H X 28' W X 32" D
- If you are an exception site, you must have preapproval from Eagle Disposal, one of the three recommended cans from either Wal-Mart or Lowes and a special label from Eagle on the tote.
- Those residents in middle homes in Summerfield, which has very small garage, may wish to request special dispensation from Eagle to acquire a smaller 50-gallon tote to reduce the space within the garage floor footprint.

Monthly Bulk Pick-Up

- Bulk Pick-up will be held on first Tuesday of the month.
- One Item will be picked up (i.e. furniture and appliance)
- Items not permitted include tires, building materials and appliances with Freon.
- Eagle Disposal has agreed to make special pickups for Freon based items or extra large items for a fee.
- Contact Eagle Disposal for special arrangements 717-355-9560

III. Yard Waste

- Leaf and Yard Waste will be picked up weekly. Leaves and grass must be in PAPER BIODEGRADABLE BAGS. Branches must be bound and not longer than 4 feet. These will be picked up in a separate truck to go to composting.

IV. Christmas Tree Pick-Up

- Trees will be picked-up during regular curbside trash collection days in December 27th through February 15.

V. Recycling

Recycling pick-up days are every Tuesday curbside and each residence receives one recycling container. A separate truck will pick up recycling. Additional recycling containers are available through Eagle Disposal at (717) 355-9560

Glass

Clear, brown and green jars, and bottles

NO window and plate glass, light bulbs, crystal, ceramics, headlights and mirrors

Rinse glass clean; remove metal or plastic rings and lids
