

**AMENDMENT TO
SPECIFICATIONS for RESIDENTIAL SOLID WASTE AND RECYCLABLE
MATERIALS
COLLECTION, TRANSPORTATION, AND DISPOSAL
FOR THE
BOROUGH OF ELVERSON
CHESTER COUNTY, PENNSYLVANIA**

This Amendment to the original Specifications is being made to correct an error in the frequency of collection of yard waste and the method of its disposal as contained in the original Specifications. In addition, this Amendment clarifies the amount of the required performance bond.

The amendments are as follows:

Yard Waste:

(1) In the column titled "Yard Waste at the bottom of page 1 of the Specifications, the requirement of "Every week on same day as trash" is deleted and replaced with "Once a month on same day as household trash collection, except Christmas trees to be collected once a week from December 26 to February 15."

(2) The last sentence of Section 1.01.5 that states that "The remaining solid waste shall include yard waste and Christmas trees during the appropriate season." is deleted.

(3) The third sentence of Section 1.01.7 that states that "Branch collection shall occur on the regular scheduled trash pick up day each week." is deleted and replaced with the requirement that Branch collection shall occur on the regular scheduled trash pick up day once a month. The next to last sentence in that Section requiring the contractor to haul segregated yard waste materials to a PADEP approved compost facility and/or transfer station approved by the Chester County under its disposal plan is hereby deleted.

(4) The second sentence of Section 2.18 that states that "Yard wastes, as defined in Section 3.02, must be delivered to a processing facility approved by PA DEP." is hereby deleted. In addition, the frequency of the yard waste collection set forth in the third sentence of Section 2.18 is changed to once per month on the same day as the collection of household trash.

(5) Section 3.05, Disposition of the Yard Waste Materials, is deleted in its entirety.

Performance Bond:

(1) The following sentence shall be added at the end of the first paragraph of Section 1.11: "The amount of the performance bond for the first year of the contract shall be fifty percent (50%) of the contract allocated for the first contract year. Thereafter, for the remaining years of the contract, the performance bond shall be in the amount allocated for the next contract year."
